RE: Plumbing and Electrical Drawings for the C&D Recycling Site
Main Building

Dear Mr. Mike:

At the request of Joe Chikowski, I have enclosed a copy of two drawings depicting the proposed electrical and plumbing site plan and the plumbing plan details for the main building at the C&D Recycling site. These plans were prepared in 1966 around the time of building construction.

Please contact me if you have any questions.

Sincerely,

ERM-Northeast
